ABOUT OBAN LIVE

Held at the famous shinty ground Mossfield Stadium, OBANLIVE is the biggest live music event in the region of Argyll & Bute.

The event was created following the open-air concert 'DECADE' in 2015 – the 10th Anniversary celebration of trad-fusion band Skerryvore that attracted 6000 people from all over the world to Oban. Such was the reaction and impact of the event, 98% of attendees requested that it became an annual event. From this, OBANLIVE was formed in 2016 with the aim of showcasing the very best Scottish and International artists as part of both the open-air concert and OBANLIVE Fringe events.

OBAN LIVE EXCLUSIVES

CELTIC BROTHERHOOD

In October 2018, Skerryvore and We Banjo 3 joined forces to begin the Celtic Brotherhood tour, which saw the two bands perform eight shows down the west coast of the United States in a bid to decide once-and-for-all which was better.....Bagpipes or Banjo?

After an epic battle, the bagpipes were crowned the winner and the victory sealed during the ritual of the post-tour breakfast!

The Celtic Brotherhood will be re-forged this June for the only show of 2019, and the first on Scottish soil, when the two bands meet on stage again at Oban Live 2019. Who will buy the breakfast this time? [#bagpipesvsbanjo](#)

THE CAMAN CONNECTION

Being no stranger to Mossfield Stadium, both on the pitch and Oban Live stage, the first Camanachd Cup Ambassador Gary Innes will lead a star-studded lineup of fellow musicians who have played shinty or have had an association or affiliation with the sport at some point in their life.

Joined by artists including Iain Bayne (Runrig), Donald Shaw (Capercaillie), Mischa MacPherson, Fergie MacDonald (The Ceilidh King), Ewen Henderson (Manran), and Steve Byrne; The Caman Connection will showcase the songs, lyrics and melodies that feature the sport of Shinty that have become synonymous with west coast life and ceilidhs from current day back through our history.
